Write a statement about why you want to run for a particular position (this will be published in your words):

For the last two years, I have served on the INAPTA Board of Directors in the role of "New Professional." During this time, I have learned about the opportunities and potential that we, as a profession, have to shape the future of physical therapy in our state. I strongly believe that we must take a proactive approach in directing that future and this

is why I wish to continue to serve on the Board of Directors. As secretary, I will continue to be a voice for my peers and assist our leadership to ensure that Indiana is a state that allows for the best practice environment and is on the forefront of the pertinent issues to our profession.
