Write a statement about why you want to run for a particular position (this will be published in your words):

Thank you for your consideration for the position of Delegate. I have been a PT for 15 years, with practice in multiple settings: free-standing and hospital outpatient clinics, acute care, home care, skilled nursing, and academia. I have been an APTA member since I was a student, and I have served in positions for my state chapter for 5 years and nationally for 5 years. I am also active with CAPTE and FSBPT, as I truly enjoy the various opportunities to give back to this wonderful profession of physical therapy. In that same vein, I want to continue giving back to the physical therapy community by serving and advocating for our profession as Delegate. Delegates seek input from members and represent the state of Indiana at the House of Delegates each June. My strengths and prior experiences will serve me well to excel in this position as we work as a Board of Directors to continue our advocacy for physical therapy in Indiana.

Consent to Serve Statement:

I acknowledge the duties of the above position have been provided to me and I agree to serve in the position should I be slated and then elected. I am willing and able to attend all INAPTA Meetings as requested. I agree to be responsive to electronic communications as part of conducting the business of INAPTA.
